

DOING GOOD...

- This week in our New Testament Bible reading St. Paul is telling the Romans how to live. He gives them lots of advice. It is Romans 12. 9 - 21.
- As you are getting ready to return to school for a new school year perhaps you can think of ideas of what you can do to 'Do Good' to your friends, families and teachers
- Life is still restricted because we must still 'Stay Safe' to help stop the spread of the virus so maybe follow the one way system in school , wash your hands lots of times or stay in your class bubble.
- Other ideas might be things that are simple like being kind , looking out for your friends or being patient when you have to queue.
- There is a printable sheet to write your 'Doing Good' ideas on. It has fruit and leaves on it to show that as Autumn and School restarts we can all be fruitful in our learning and caring for others.
- Colour it in, add your ideas and pin it up, maybe in the Kitchen or in your room to remind you that 'Doing Good' is important.

I can do good by ...
