

JESUS WALKS ON WATER

- In the Bible there is a story of Jesus walking on the water out to the fishing boat. His friends were in the boat and could see this man coming. They were afraid, they didn't know who or what was coming towards them. Then they were amazed, Jesus told them to be brave, to trust in Jesus. We must do that too.
- When Jesus' friends tried to walk on water, like us they couldn't, their feet got wet !!
- With the summer holidays perhaps you will be able to get your feet wet paddling, swimming or just splashing in the rain !!
- Use the background to make a colourful picture of Jesus, his friends and their fishing boat. Use whatever you like crayons, paints, pens, collage, stickers.
- Cut 2 slits in the boat and feed the wavy banner below through it to show Jesus' words to us all.

Jesus said, "Courage! It is I. Don't be afraid"
