

THE KEYS TO THE KINGDOM

DOOR HANGERS

Peter, Jesus' friend, knew Jesus was the son of God. Jesus told Peter that he would hold the keys to God's Kingdom. That is why Peter is a very important saint.

- A Key to doors is what you need to get inside
 - A Key can also be a guide to show you how to do things and to explain what things mean
 - A 'key worker' is someone who does a job that makes things better, easier for others... Doctors, Nurses, Teachers, Bus & Train drivers for example.
 - If something is 'key' you need it. Like we need Jesus!
