

# THE BAPTISM OF CHRIST...

Jesus was baptised by his cousin John.  
Are you baptised? If you are then like Jesus  
you will have had water poured on your head  
and have been marked by the Holy Spirit.  
God sent a dove as a sign of the Holy Spirit when  
Jesus was baptised and to show he was God's son.  
Being baptised makes you part of God's family as  
Christians.

## HANGING DOVES...

- Cut out dove shapes on thin white card.
- The dove with wings decorate with your name and the date of your baptism.
- Or make wings by pleating a rectangle of paper, cut a slit in the body and put the paper through and for out.

- Make a baptism dove for everyone in your family who is baptised, hang them up to remember your baptism.
